TO: Bright Kid Foundation

Sir/Madam

Fred Habedi Primary School and Governing Body would like to thank the Development Bank of Southern Africa for funding the Soap and Wash Station Dispenser installed by Bright Kid Foundation. The station will help significantly to reduce the spread of COVID-19 by supplying both the soap and water that learners and teachers need to wash their hands. It is innovative, useful and robust.

We once more thank the company for the assistance and support that we have been receiving from the company.

Thanking you in anticipation

Yours in Education

Ms M.S Phahle
