

## BRIGHT KID FOUNDATION REFERENCE LETTER

### To Whom it may concern

I hereby confirm that Brightkid Foundation was funded by **The Standard Bank Tutuwa Community Foundation** to establish three early childhood development (“ECD”) centres in selected sites in rural areas and informal settlements across 3 (three) Provinces in South Africa per year. A total of 9 (nine) ECD centres were established over a period of 3 (three) years.

The Bright Kid Foundation has been further funded to fit 9 hand wash stations on the Tutuwa funded ECD Edutainers in 5 provinces – Kwa-Zulu Natal (2), Limpopo (2), Free State (2), Eastern Cape (2) and North West (1).

This program has been very successful. In November 2019, I was part of the Standard Bank Tutuwa Community Foundation team that visited our funded infrastructure centre in eNkandla, Kwazulu Natal. I was highly impressed with the quality of the infrastructure and the speed at which it had been delivered in a timely manner to high standards.
